Utility Extension Agreement

The purpose of this agreement is to provide a utility bill payment extension to customers of the City of Elberton. The total amount due will include a service charge fee in the amount of \$45.00 for one utility service, \$65.00 for two utility services and \$75.00 for three utility service. When partial payments of at least 1/2 (one-half) of bill amount are made, service charges may be decreased. The total amount due must be paid by due date to avoid interruption of services.
